

Tōtara Science Roadshow

Tuesday 20 August 2024

30 July 2024

Dear Parents and Caregivers,

Tōtara Syndicate have been given the opportunity to attend the Science Roadshow held at Whitby Collegiate in Week 5 of this term. This is a great opportunity to experience science, engineering and technology in a hands-on learning environment. It will also reinforce other STEM initiatives that we are presently putting in place for later in the year.

The syndicate will be walking over from Adventure School to Whitby Collegiate (and back) for this trip. The admission fee to the Science Roadshow is \$11 per student. We would appreciate a donation from families to cover this cost. Payments can be made directly via the HERO app.

Please note details of the trip below:

Science Roadshow

Where:	Whitby Collegiate
When:	10.30am Tuesday 20 August
Cost:	\$11 per student

Please also find attached a permission slip which needs to be returned to the class teacher. We do not require parent help for this particular trip as we have all four Tōtara teachers attending.
