## SPACE PLACE

We are SO excited about our upcoming visits to Carter Observatory this Term.

Date reminders:

Room 20 - 29 July

Room 21 - 5 Aug

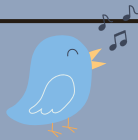

Room 18 - 8 Aug

Room 17 - 9 Aug

Room 16 - 26 Aug

Please contact your classroom teacher if you have any questions around this.

Thank you for the parental support around making this learning opportunity happen for our students!

## WELCOME BACK!

Tēnā koutou katoa,

A huge welcome back to all our whānau and students in Rimu Syndicate! It has been so great to see all our students back looking rested, refreshed and ready for a new school term.

## WHAT'S COMING UP?

This term, our integrated topic is about the historic and modern day Olympics, as well as exploring some of the many different cultures that are part of this. This inquiry will be woven throughout our literacy and mathematics programme to allow us to dig deeper into our knowledge and understanding further. Through mathematics we will revisit learning from Term 1 and 2 around statistics and measurement. We will be learning new concepts around probability and chance as well as authentic opportunities to learn more around decimals! Our literacy will provide opportunities to look back in time to where the Olympics first began and how this has changed over time. We will learn about the host nations, as well as the many different cultures (and their athletes) that participate.

Excitement is building around the upcoming Adventure School Production! Seeing our students shine in the various opportunities that productions present, it will be fantastic to watch it all unfold. We look forward to sharing this with you in week 9!

We are really excited about the Term ahead and look forward to seeing you all soon at our upcoming Learning Conversations.
